Medicine Man

**Fm**

I ll bring you the talon from an eagle

**C**

A big black pearl from the sea

**Fm**

I ll bring one and twenty ponies

**Bbm**

**Fm**

If you ll bring Wildflower to me

**Fm**

Medicine man won t you please help me, don t leave me down in misery

Rattle them bones, then roll them stones and make Wildflower mine

I will bring you white buffalo

I ll bring honey from the bee

I ll keep fire-water flowing

If you ll get the big chief to agree

Medicine Man help me if you can, write a secret message in the sand

Medicine man, please let her know, tell Wildflower that I love her so

Take the breeze and shake the trees and make Wildflower mine

Now she has no use for a white man

Helpless and worthless like me

Tell her father Big-Strong-Hand

To let Wildflower comfort me

Medicine man, medicine man let it be known throughout the land

Medicine man, medicine man I have to have the hand of Wildflower

Take this piece of calico, make a dress with a pretty bow

Tie it with a thread of lace, take it to your secret place

Go into your sacred dance, say a prayer for our romance

And make Wildflower mine
