

My Prayer

Roy Orbison

Am **Dm E** **Dm Am**
When the twilight is gone and no songbirds are singing

Am **Dm E** **Dm Am**
When the twilight is gone you come into my heart

C **G** **Em** **A**
And here in my heart you will stay while I pray

A **Cdim** (xx3434)
My prayer is to linger with you

Dm **A** **E**
At the end of the day in a dream that's divine

Cdim
My prayer is a rapture in blue

Dm E **A Dm A A7**
With the world far away and your lips close to mine

Dm **Am**
Tonight while our hearts are aglow

Gdim **E**
Oh tell me the words that I'm longing to know

My prayer and the answer you give

Dm **A C#m**
May they still be the same for as long as we live

D C#m (n.c.) **Dm A**
That you'll always be there at the end of my prayer
