

Only With You
Roy Orbison

Em Am Em Am
I can paint a sunset across the sky of blue

Only with you, only with you

Em Am Em Am
I can be a master at anything I do

Dm C
Only with you, only with you

I found the end of the rainbow my golden treasure too
Only with you, Only with you
The sun looks good in the morning and I love the night time too
Only with you, Only with you

Em Am Em Am
All my world would end dear my rising star would fall

If ever I should lose you I would be nothing at all

Em Am Em Am
All my world is heaven I ll be happy my whole life through
Dm G C
Only with you, only with you
