A C#m

I walk down to the blue side of town

D E A

Where there s no happiness, no joy

C#m

Down at the end of a long dark street

D E A

I saw a little paper boy

Α

Paper boy paper boy

E7

I ve got bad news for you

Paper boy paper boy

E7 A

Me and my baby are through

D E

She was my love my one and only

D .

I feel so bad I m oh so lonely

A E7 A

I m looking for my love

I ve got my own headlines for today
They ve been the same since she went away
One dark haired angel disappears
Seems like She s been gone a million years

Paper boy Paper boy So long goodbye Paper boy paper boy Thanks for listening while I cry

I feel a little better now that someone knows But I will go on looking forever, I suppose I m looking for my love

Extra extra read all about it
My baby s gone and I wanna shout it
I m looking for my love
I m looking for my love....
