C7 F F7 Bb Gm

And it makes me sad because I know that party s have to end

And when this party s over, you ll be gone

C7

I love your party heart your playful party heart
But though you make me laugh you also make me cry
Cos I know you only think of me as just a party friend
And when the party s done you ll say goodbye

Bb D# Bb C7 F A Dm

A playtime girl like you plays lots of thrills in life it seems

G C C7

But oh, what I d ever give to be the playboy of your dreams

I d tame your party heart, your fickle party heart
And someday that s just what some party boy will do
But I love you so, I guess that I ll cry just as much as you
When someone breaks your party heart in two
When someone breaks your party heart in two....
