

Running Scared
Roy Orbison

G

Just running scared

Am

Each place we go

Bm

So afraid

D7 **Dsus** **D7**

That he might show

G

Yeah, running scared

Am

What would I do

Bm

If he came back

D7 **G**

And wanted you

G

Just running scared

Am

Feeling low

Bm

Running scared

D7

You loved him so

G

Just running scared

Am

Afraid to lose

Bm

If he came back

D7 **G** **G7**

Which one would you choose

C

Then all at once

C

He was standing there

C

So sure of himself

C

His head in the air

C

My heart was breaking

C

Which one would it be

C

D7

G

You turned around and walked away with me
