

She Won't Hang Her Love Out (on The Line)

Roy Orbison

D She come from Kansas City, lookin mighty pretty
G
D She s as sweet as Kansas City wine
G
Oh, it s such a pity, she won t wanna kiss me
D
She won t hang her love out on the line
G **D**
No, she won t hang her love out on the line
G
A mystery to me, she s not what you see
A
She s a strong, mighty woman who loves to disagree
D **G**
If I could just talk to her, I know that I could fool her
D
But she won t hang her love out on the line

She don t care for nothin she holds onto her lovin
I wonder if she d ever change her mind?
I ll fall in behind her, hopin that I find her
When she hangs her love out on the line
When she hangs her love out on the line

A mystery to me...

I d take her lovin , I d take her lovin
I d take her lovin anytime
I want her lovin , I need her lovin
but she won t hang her love out on the line
No, she won t hang her love out on the line
she won t hang her love out on the line
