#1.
```
      Eb                      C#
Well, down through the ages women had a time..
Eb                          C#
tryin  to get her man to walk the chalk line.
   Eb                          C#
To keep him on a string with a kiss and a hug..
    Eb                              Eb7
but there s never been a man who wasn t bitten

by the bug.
```

CHORUS:
```
      G#                            Eb
Yeah, rockin  and rollin  with the bug..rollin

and strollin  with the bug.
Bb                      G#
Itchin  and twitchin ..singin  and swingin ..
Eb
yeah, with the bug.
```

#2.
```
Eb                              C#
Well, Delilah loved Sammy, but he wouldn t stay home..
      Eb            C#
always runnin  and leavin  Dee home.
   Eb                      C#
She set out to find Sammy late one night..
         Eb                      Eb7
found him down at the sand dune, rockin  it right.
```

CHORUS:
```
        G#                            Eb
He was rockin  and rollin  with the bug..rollin  and

strollin  with the bug.
Bb                      G#
Itchin  and twitchin ..singin  and swingin ..
Eb
yeah, with the bug.
```

```
#3.
Eb                              C#
Well, Helen of Troy, a cool smile on her face..
    Eb                          C#
she sported the face that launched a thousand ships.
        Eb                      C#
But she couldn t control the wiggle in her hips..
    Eb                              Eb7
she lost her fame and fortune, just one flip.

CHORUS:
      G#                                Eb
Yeah, rockin  and rollin  with the bug..rollin

and strollin  with the bug.
Bb                        G#
Itchin  and twitchin ..singin  and swingin ..
Eb
yeah, with the bug.

(INTERLUDE:) Eb C# (x2)

#4.
Eb                              C#
Well, now, Josephine, she had trouble from the start..
    Eb                              C#
she couldn t keep her eye on little Bonaparte.
      Eb                      C#
Every single time that Josie looked around..
    Eb                          Eb7
she found her Bonny runnin , round and round.

CHORUS:
      G#                                Eb
He was rockin  and rollin  with the bug..rollin  and

strollin  with the bug.
Bb                          G#
Itchin  and twitchin ..singin  and swingin ..
Eb
yeah, with the bug.

#5.
Eb                                  C#
Well, now, modern times  are the same as history..
Eb                          C#
even in the Twentieth Cent..ur..y.
        Eb                      C#
And our future now, well, it s plain to see..
      Eb                              Eb7
if we don t look out, the bug will get you and me.
```

CHORUS:
```
        G#                                           Eb
We ll be rockin  and rollin  with the bug..rollin  and

strollin  with the bug.
Bb                            G#
Itchin  and twitchin ..movin  and a-groovin ..
Eb
yeah, with the bug.
```

OUTRO:
```
Eb
With the bug..with the bug..(x3)(Fade.)
```

A fifties smash from Kraziekhat.
