**Bm**

Youâ€™re the one. Youâ€™re the one.

Riding trough the heaven of sensation  
Taken in your sunshine, sweet vibration.  
Holding nothing back, youâ€™re my elation.  
Trough the night my sightless fascination.

You hold me in and out of dreams.  
Awake, asleep and loving leaves me stunned.  
Between you and me. Ooh youâ€™re the one.
