G **C**
What a lonely place this can be.

G **C** **G** **D**
My only friend is this guitar and page with the stories of my life.

And I don t fear destiny.
Like I don t fear what will take my life. And for you, I would gladly cross that
line.

F **C** **G**
I don t mind. I don t mind. I don t mind

F **C** **G**
I don t mind. I don t mind. I don t mind

Well I guess it s like you been told.
I got a broken spine with a beat up soul. I don t blame you for being worried
all the time.
But I can make the choice.
The only thing I have s my voice. I believe it if I have to. You decide.

F **C** **G**
And I don t mind. I don t mind. I don t mind

F **C** **C**
No I don t mind. I don t mind. I don t mind

Cause I would do anything for you.
Oh I don t mind. I don t mind. I don t mind

What I am
I am

No I don t mind. I don t mind. I don t mind
No I don t mind. I don t mind. I don t mind

What a lonely place this can be.
My only friend is this guitar and page with the stories of my life.
