

**Remain**

**Royal Tailor**

[Verse 1]

**C**

I know you re feeling weighted down

**Am**

It s all on your shoulders

**C**

I know the dreams in your head

**Am**

Don t look any closer

[Pre-Chorus]

**F**

But I m gonna make you stronger

**C**

Hold on just a little bit longer

**Am**

Cus I ll be there

**F**

When you feel like you re going under

**C**

**Am**

I m gonna be there for ya

[Chorus]

**C**

The sky could fall, the ground could shake

**G**

**Am**

The stars burn out, and seasons change

**F**

The time will pass, and beauty fade

**C**

**G**

But all my love will remain

**Am**

**F**

All my love will remain

**C**

All my love will remain

[Verse 2]

**C**

When there s a secret to tell

**Am**

Its locked and ill keep it close

**C**

And when you re walking through fire

**Am**

I ll take you to streets of gold

[Pre-Chorus]

**F**

But I m gonna make you stronger

**C**

Hold on just a little bit longer

**Am**

Cus I ll be there

**F**

When you feel like you re going under

**C**

**Am**

I m gonna be there for ya

[Chorus]

**C**

**G**

The sky could fall, the ground could shake

**Am**

The stars burn out, and seasons change

**F**

The time will pass, and beauty fade

**C**

**G**

But all my love will remain

**Am**

**F**

All my love will remain

**C**

All my love will remain

[Bridge]

**Am**

And when the world all around you feel out of place

**F**

**C**

You cant seem to find a familiar face

**G**

I m her to remind you my love remains

[Chorus]

**C**

**G**

The sky could fall, the ground could shake

**Am**

The stars burn out, and seasons change

**F**

The time will pass, and beauty fade

**C**

**G**

But all my love will remain

**Am**

**F**

All my love will remain

**C**

All my love will remain
