Intro:

**F# B E**  
**F# B G#m**  
**F# B E**

**G#m F# E B**  
Follow me down to the edge of the town

**F# B E**  
The edge of the town where the graves are

**G#m F# E B**  
Swallowed in weeds in the throws of those trees

**F# B E**  
The throws of the trees where my heart lies

**F# B E**  
You can be my one if you wanna go

**F# B G#m F#**  
You can be my Juliet then

**B E**

And we can drift asleep in a lover s pose

**F# E B E**

But never go away

**F# E B**

No poison here we re safe

**G#m F# E B**

Follow me down to the kingdom around

**F# B E**

The edge of now where the tracks are

**G#m F# E B**

Swallowed in weeds in the throws of those trees

**F# B E**

The throws of the trees where my soul lies

**F# B E**

You can be my one if you wanna go

**F# B G#m F#**

You can be Ophelia and then

**B E**

And into the water we will go

**F# E B E**

But never float away

**F# E**

No never float

**Bm A G D A D G**

I know the bonds will grow with every passing wave

**Bm A G D A D G**

Star-crossed but we ll never toss the strength of the poet s page

**F# B**

I know...

**G#m F# E B F# B E**

Juliet...

**G#m F# E B F# B E**

Juliet...

**F#**                    **B**                    **E**  
You can be my one if you wanna go

**F#**                    **B**    **G#m**   **F#**  
You can be my Juliet then

**B**                    **E**  
And we can drift asleep in a lover s pose

**F#**            **E**  
But never know

**F#**                    **B**                    **E**  
You can be my one if you wanna go

**F#**                    **B**    **G#m**   **F#**  
You can be my Juliet then

**B**                    **E**  
And we can drift asleep in a lover s pose

**F#**                    **E**        **B**        **E**  
But never close our eyes

**B**  
No we will survive
