intro **F C C/B**

**F**

My dove

**C C/B F**

You came to the window as a spark

**C C/B F**

And left as a raven after dark

**C C/B F**

Was I the tourist in your heart?

**F**

Now love

**C C/B F**

I tried to be native in your land

**C C/B F**

But you dismissed me careless hand

**Am G F C**

For I ve held paradise

**G Am F**

But lost sight of it now

**F**

And time

**C C/B F**

Don t be a stranger with a drop

**C C/B F**

Fill in the spaces set up shop

**C C/B F**

I need a fix fast forward clocks

**Am G F C**

For I ve held paradise

**G Am F**

But lost sight of it now

**Am G F C**

Yes I ve held paradise

**G Am F**

But lost sight of it now

**Dm**      **G**                      **Am**                      **F**  
All I want is to hold you to me now

**Dm**      **G**                      **Am**                      **F**  
All I want is forever to allow

**Am**    **G**        **F**    **C**  
For I ve held paradise  
          **G**        **Am**                      **F**  
But lost sight of it now  
          **Am**    **G**        **F**    **C**  
Yes I ve held paradise  
          **G**        **Am**                      **F**  
But lost sight of it now
