I m wondering round and round, nowhere to go  
I m lonely in London, London, is lovely so  
I cross the streets without fear, everybody keeps the way clear  
I know I know no one here to say hello  
I know they keep the way clear, I am lonely in London without fear  
I m wondering round and round here, nowhere to go

r: Yes, my eyes, go looking for flying sources in the sky

Oh, Sunday, Monday, Autumn pass by me  
Those people hurry on so peacefully  
A group approach the policeman, he seems so pleased to please them  
It s good at least to live and I agree  
He seemed so pleased at least and it s so good to live in peace  
And Sunday, Monday years and I agree

### REFRÃO

I choose no face to look at, choose no way  
I just happen to be here and it s ok  
Green grass, blue eyes, gray sky, God bless, silent, pain and happiness

I came around to say yes, and I say
