I m wondering round and round, nowhere to go
I m lonely in London, London, is lovely so
I cross the streets without fear, everybody keeps the way clear
I know I know no one here to say hello
I know they keep the way clear, I am lonely in London without fear
I m wondering round and round here, nowhere to go

Oh, Sunday, Monday, Autumn pass by me
Those people hurry on so peacefully
A group approach the policeman, he seems so pleased to please them
It s good at least to live and I agree
He seemed so pleased at least and it s so good to live in peace
And Sunday, Monday years and I agree

REFRÃO

I choose no face to look at, choose no way
I just happen to be here and it s ok
Green grass, blue eyes, gray sky, God bless, silent, pain and happiness

I came around to say yes, and I say
