

Believe Me
RPWL

F **G**

Looking for the answer

F **G**

That a dreamer needs to know

F **G**

Who s gonna wake me when it s over

F **G**

Far away from home

F **G**

You re not the only reason

F **G**

Although sometimes I m not sure

F **G**

How I can stand a single day without you

[Chorus]

C
Believe me

G
Believe me

F **G**
I m not the only one you are waiting for

[Interlude]

F, G, F, G

(Same as the 1st verse)

Please come a little closer
So strange to hear you on the phone
To feel the warmth together without gaining our end
Lost and found
Far away from home

[Chorus]

C
Believe me

G
Believe me

F **G**

I m not the only one you are waiting for
