Got My Share

capo 3

Am G C(+ low **E** fret 3)

I d stay the night girl, but its freezing

and the cigarettes to few

i can t sleep right now for dreaming

i fear i might not make it through

chorus

Am G C

it gets me all worked up inside to see you trying

Am G C

i guess its me who s got the issues after all

Am G F G

and how i wish for something different and something to repair

Am G F7

now i got my share

Am G C

oh baby i got my share

verse

I d stamp your ticket but your early

and that would not be fair

i always wondered where you d run too

but always knew id find you there

Chorus

Bridge

E

F

E

Led by the wind, changes and spins like a ghost you ve become

E

F

G

C

its a dead cert you d win, something of a sin, but a well deserved one

verse

i m trying hard not to forget you

but out of sight is out of mind

but lucky me I ve just lost patience

so now theres room for us to find
