I clicked my heels together, and wished for things to be

I felt the softest of all pulses, dancing through my finger tips  
**F** **C** **Am** **G**  
I threw myself in at the deep end, from the highest, darkest hight  
**F** **C** **Am** **G**  
but that s alright, that s alright that s alright

**Dm** **Am**  
Was that real? Was that love?

Once bound for roads of certainty, now suddenly unknown  
**F** **C**  
(well) did you think you would have good news?  
**Am** **G**
