Ruby Blue - Away From Here
Track #5, Down From Above, 1990

[G]I want to get away from [D]here
[G]put me on a jet plane
away from [D]here
I will e[A]rode fold ex[G]plode
waiting [D]here

[G]Take me to another place
away from [D]here
Let me [G]see your pretty face
away from [D]here
let me [A]sleep at [G]night
away from [D]here

In the [D]unquiet sleepless dreamplace
of my bed
Motor [D]cars drive across my mind bleeding lead
There s too much [A]city grime [G] in my [D]head

Oh cos [D]this town is [G]in my body now
[D]Thundering around my [A]veins
Makes me [D]jump
to [G]hear my fate on the [G]phone
Oh baby let s [G]go
away from [D]here

Well it s [G]only cos I m one of those
Hanging on the [D]line
Keeps me [G]in on other people s business
Being used in their [D]time
When [A]I only [G]want to find [D]mine

Oh so [G]baby baby we better buy
our own motor [D]car
get [G]out of the city
don t have to be very [D]far
just [A]so we [G]love where we [D]are

Oh cos [D]this town is [G]in my body now
[D]Thundering around my [A]veins
Makes me [D]jump
to [G]hear my fate on the [G]phone
Oh baby let s [G]go
away from [D]here

Oh cos [D]this town is [G]in my body now
[D]Thundering around my [A]veins
Makes me [D]jump
to [G]hear my fate on the [G]phone
Oh baby let s [G]go
away from [D]here

[G]softly, softly now take my hand
we will [D]go
[G]Paradise may be a place
everybody [D]knows
where [A]time [G]is [D]slow
where [A]time [G]is [D]slow
