Ruby Blue - Midnight Road
from: Down From Above, 1990

[D] Felt kinda [D7]nervous when you took me to the [D]bar
Felt kinda [D7]funny when you held me in your [D]arms
Felt kinda [D7]strange when you walked me down the [D]street
Didn t wanna be [D7]pushy but I just had to [D]say it
You re the kinda [D]guy I d really like to [D]know____
[A] When will you take me [G]dancing close and [D]slow?

[D] Felt kinda [D7]sweet when we were driving in your [D]car
Didn t know where we were [D7]going and I didn t care how [D]far
Felt kinda [D7]free and I don t feel that every [D]day
Didn t wanna be [D7]heavy but I just had to [D]say it
You re the kinda [D]guy I d really like to [D]know____
[A] When will you take me [G]dancing close and
[A] When will you take me [G]dancing close and
[A] When will you take me [G]dancing close and [D]slow?

Oh you [G]know you had me [D]going
On that [C]long__[G]__ midnight [D]road
Oh you [G]know you had me [D]going
On that [C]long__[G]__ midnight [D]road

[D] I was [D7]kinda hoping when we were walking in the [D]rain
Some silver [D7]bird would take me back to you a[D]gain
Cos I don t think it s [D7]jet-lag I think it s [D]love
Don t wanna be [D7]forward but I just gotta [D]say it
You re the kinda [D]guy I d really like to know
You re the kinda [D]guy I d really like to [D]know____
[A] When will you take me [G]dancing close and
[A] When will you take me [G]dancing close and
[A] When will you take me [G]dancing close and [D]slow?

Oh you [G]know you had me [D]going
On that [C]long__[G]__ midnight [D]road
Oh you [G]know you had me [D]going
On that [C]long__[G]__ midnight [D]road
