Stand Together

[A] [E] [A] [E] [A] [E] [A] [E]

[A] Me and my friends we came [E]down
from where the wind [A]blows
Soft cen[E]tred
and [A]saw the fog and the [E]lights
Of the electric nights
[A] In the new [E] world
He [A]said: you have to find a new [E]face for it
Oh [A]this is a serious [E]mean town
She [A]said: and what if my [E]name don t fit?
Oh [A]dear you better take my [E]hand
Show me a[A]round

[A] Me and my friends we came [E]down
from where the wind [A]blows
To get some [E]work
And you [A]don t notice time__[E]____
When you re down on the [A]grind
You don t see your [E]years till they hit you
[A] He said: tell me what s [E]happening
[A] Don t you know it s [E]been too long
[A] So we had a re[E]union and we went to her [A]place
Got drunk [E] and sang rude [D]songs

And sitting [A]on her [E]floor
[D] Raising our [A]glasses for [E]more
We [D]said oh yeah
We re [A]all to[E]gether [A]now

[E] [A] [E] [A] [E] [A] [E]

[D] Down__[E] from where the wind [A]blows
We [A]stand together
A [E]long way from [E]home
We re [G]looking for something
We [D]stand together
A [E]long way from [E]home
But [G]wanting nothing
We [D]stand together
A [E]long way from [E]home
We re [G]looking for something
We [G]stand together__[A]____

[E] [A] [E] [A] [E] [A] [E]

[A] Me and my friends we came [Esus4]down
from [E]where the wind [A]blows
Soft cent[Esus4]red [E]
and [A]saw the angry [Esus4]might
of the [E]money fight [A]
In the new [Esus4]world [E]
[A]He said: we re all a little [Esus4]older [E]now
We [A]haven t changed and I [Esus4]hope we [E]never will
[A]She said: life is only [Esus4]what we [E]make it now
We [A]thought so then [Esus4]
And we [E]think so [D]still

And sitting [A]on her [E]floor
[D] Like we [A]used to be[E]fore
We [D]said oh yeah
We re [A]all to[E]gether [A]now

[E] [A] [E]

[D] And sitting [A]on her [E]floor
[D] Raising our [A]glasses for [E]more
We [D]said oh yeah
We re [A]all to[E]gether [A]now
