G
O that I had
D
The wings of a dove
Em
To rest on me

G
To fly back with
D
A branch in its beak
Em **D**
And rescue me

D **G**
So I scale up the oars
 C **G**
And find what I have known
 C **G**
That I won't last alone
 C
For long

D **G**
It's hard for me
 C **G**
Cause I don't like defeat
 C **G**
I'll give up this captain seat
 C
To you

G
O that I had
D
The wings of a dove
Em
To rest on me

G
To fly back with
D
A branch in his beak
Em **D**
And I am free

D **G**
This is not new to me
C **G**
As I sit in this boat
C **G**
But I m so cold my bones
C
Will freeze

D **G**
And there s naught through the haze
C **G**
I ve been waiting so long
C **G**
But my hour has gone
C
Away

G
O that I had
D
The wings of a dove
Em
To rest on me

G
To fly back with
D
A branch in his beak
Em **D**
And rescue me

D **G**
He navigates
D **G**
When oceans rise
D **C**
He reminds me
D
To lift my eyes

G

O that I had

D

The wings of a dove

Em

To rest on me
