

**These Days**  
**Rudimental**

**F** **C** **G**  
I know you moved onto someone new  
**Am** **F**  
Hope life is beautiful  
**C**  
You were the life of me to find my truth  
**G** **C**  
I just wanna say, thank you

**F** **C**  
Leaving to find my soul  
**G** **Am**  
Told her I had to go  
**F** **C**  
And I know it ain t pretty  
**G** **C**  
When two hearts get broke  
**F** **C**  
Too young to feel this old  
**G** **Am**  
Watching us both turn cold  
**F** **C**  
And I know it ain t pretty  
**G** **C**  
When two hearts get broke  
**F** **C**  
Yeah, I know it ain t pretty  
**G** **C**  
When two hearts get broke

**F** **C**  
I hope someday  
**G** **Am**  
We ll sit down together  
**F** **C**  
And laugh with each other  
**G** **C**  
About these days, these days  
**F** **C**  
All our troubles  
**G** **Am**  
We ll lay to rest  
**F** **C**  
And we ll wish we could come back to  
**G** **C**

Reminiscing on those past days  
**F** **C**  
 I thought you didn't know my last name  
**G** **C**  
 But that changed  
**F**  
 And I travelled around the world  
**C**  
 Think where you living at now?  
**G**  
 I heard you moved to Oxford  
**Am**  
 Got a new apartment and settled down  
**F** **C**  
 And every once in a while  
  
 I start texting  
**G**  
 Write a paragraph  
**C**  
 But then I delete the message  
**F** **Am**  
 Think bout you like a past time  
**G** **C**  
 I could cry you a river  
  
 Get you baptised or  
**F** **Am**  
 I wasn't ready to act right  
**G** **C**  
 Used to always think I'd get you back, right  
**F** **Am**  
 They say that things fall apart  
**G** **C**  
 We were gonna move to Brooklyn  
  
 You were gonna study Art  
**F**  
 Love is just a tool  
  
 To remind who we are  
**G**  
 And that we are not alone  
  
 And we're walking in the dark  
  
**F** **C**  
 I hope someday  
**G** **Am**  
 We'll sit down together  
**F** **C**  
 And laugh with each other  
**G** **C**
