

Walk Alone
Rudimental

[Verse 1]

D
Showed up at the right time
 A **E**
In a broke down limousine
 D
All you had was red lights
 A **E**
I went and turned them all to green
 D
I found you in the landslide
 A **E**
And pulled you out again

D **A** **E**

 D
The hardest conversations
 A **E**
Are the ones you never had
 D
Well you don t have to say it
 A **E**
Cause you know I understand
 D
Never been the bravest
 D **E**
But if you need a hand

[Pre-Chorus]

D
I got two, baby
 A **E**
If you re in trouble I got you, baby
 D
Nothing that I wouldn t do, baby
 A **E**
And you ll know, you ll know

[Chorus]

D **A** **E**
That I am a rock, I am a stone (Oh oh oh)
D **A** **E**
I ll be your strength, I ll be your home (Oh oh oh)
D **A** **E**

And you may walk a lonely road
 D **A** **E**
But you will never walk, walk, walk alone
 D **A** **E**
You will never walk, walk, walk alone
 D **A** **E**
You will never walk, walk, walk alone, oh, woah

[Verse 2]

D
I don t have the answers
 A **E**
But I can listen for a while
 D
Might not understand it
 A **E**
But I can try to make you smile
 D
When you re in a black place
 A **E**
And need a shoulder you can cry on

[Pre-Chorus]

D
I got two, baby
 A **E**
If you re in trouble I got you, baby
 D
Nothing that I wouldn t do, baby
 A **E**
And you ll know, you ll know

[Chorus]

D **A** **E**
That I am a rock, I am a stone (Oh oh oh)
D **A** **E**
I ll be your strength, I ll be your home (Oh oh oh)
D **A** **E**
And you may walk a lonely road
 D **A** **E**
But you will never walk, walk, walk alone
 D **A** **E**
You will never walk, walk, walk alone
 D **A** **E**
You will never walk, walk, walk alone, oh, woah
 D **A** **E**
You will never walk, walk, walk alone, oh, woah
