| C#m4 | B |

C#m4

Too much weight put on silver things

Too many tears dropped into the sea

Too much time fearing hurricanes

C#m4

Too much confidence in gravity

With my face pressed into the air

B

With my eyes pointed who knows where

Here I am where I am supposed to be

A

But I don't see what I'm supposed to see

A

B

All you are All you are All you are (2x)

If I tell you that I do believe

Would you tell me that I'm ill perceived

Too much gravity up in my world

Too much vanity I must've served

B

To the people that surround me to the face of curiosity

Here I am where I am supposed to be

A

But I don't see what I'm supposed to see

A
