```
Free Time
Ruel
[Intro] Bm F#m G D
[Primeira Parte]
My eyes are shut
                F#m
Sleep too much
                G
Probably should get up but what s the rush
                Bm
Brush my teeth
But not my hair
         G
  F#
I used to for you but now I don t care
[Pré-Refrão]
Bm
                              F#m G D
Watching the clock from the sofa
I just wish you would come over
[Refrão]
                                                                G D
                               Bm
All of my friends said don t worry I promise you ll be fine
                       Bm
                                                  G
Now I m alone and I m lost in my phone with this free time
                         F#7
I used to spend it with you
              Bm7
All of the stupid shit we used to do
Now that you re tied up
I m tired of all of this free time
     F#m
Bm
Oh oh oh oh
[Segunda Parte]
I can make some toast
```

```
I could watch a show
F#m
I could go for a walk but I probably won t
                            F#m
I can do anything I put my mind to if I tried to but I-
[Pré-Refrão]
Just watching the clock from the sofa
I just wish you would come over
( G )
[Refrão]
Α
                             Bm
                                                     G
All of my friends said don t worry I promise you ll be fine
                           Bm
But now I m alone and I m lost in my phone with this free time
                         F#7
I used to spend it with you
             Bm7
                                  E7
All of the stupid shit we used to do
Now that you re tied up
I m tired
[Ponte]
Of all of this freedom
Bm
Thought it was all that I needed
                D
Thought I d be cool with you leaving
Bm
Maybe I was wrong
Crazy since you re gone
( Gm )
[Refrão]
                              Bm
All of my friends said don t worry I promise you ll be fine
                           Bm
But now I m alone and I m lost in my phone with this free time
I used to spend it with you
```
