

Not Thinking About You

Ruel

[Intro] Bbm7 Abm7 Db7 F#m7

Bbm7 Abm7
I ve been telling my friends I m cool

Db7 F#m7
I finally got you out my head

Bbm7 Abm7
And if I gotta walk by your house

Db7 F#m7
I take the long way home instead

Bbm7 Abm7
Cause I guess if I see you outside and you look all cute

Db7 F#m7
And I won t let myself forget

Bbm7 Abm7
Cause every time, every time, every time

Db7 F#m7
I see you I know I m not ready yet

Bbm7
No, I don t want somebody else

Abm7 Db7
Feels like I m going through hell

F#m7
So I just lie to myself just to prove

Bbm7 Abm7 Db7 F#m7
I m not thinkin bout you you

Bbm7 Abm7 Db7 F#m7
I m not thinkin bout you you

N.C
I don t wanna think about

Bbm7 Abm7 Db7 F#m7
You got me feeling things I swear that I have never felt

Bbm7 Abm7 Db7 F#m7
And you have a way with saying words that always stick around

Bbm7 Abm7
And if I saw you outside hanging out with another guy

Db7 F#m7
Like you re better off without

Bbm7 Abm7
No, I would try, I would try, I would try

Db7 F#m7
To look away til I convince myself

Bbm7

No, I don't want somebody else

Abm7 Db7

Feels like I'm going through hell

F#m7

So I just lie to myself just to prove

Bbm7 Abm7 Db7 F#m7

All the times we had

I don't wanna think about

Bbm7 Abm7

What I'm feeling now

Db7

I wanna push it down

F#m7

I wanna block it out

Bbm7 Abm7 Db7 F#m7

No, I don't wanna think about you you
