Madness
Ruelle
[Verse 1]
G#m
I see that look in your eyes
It makes me go blind
G#m
Cut me deep, these secrets and lies
Storm in the quiet
G#m
Ooh, ooh, ooh
Ooh, ooh, ooh
[Chorus]
               G#m
Feel the fury closing in
                G#m
All resistance wearing thin
                               G#m
Nowhere to run from all of this havoc
Nowhere to hide
                 G#m
                          F#
From all of this madness, madness, madness
G#m
       F#
Madness, madness, madness
[Post-Chorus]
G#m
Ooh, ooh, ooh
G#m
Ooh, ooh, ooh
G#m
Ooh, ooh, ooh
G#m
Ooh, ooh, ooh
[Chorus]
               G#m
Feel the fury closing in
                G#m
All resistance wearing thin
Nowhere to run from all of this havoc
Nowhere to hide
```
