C **Em**
This road might lead to nowhere,
G
So I follow that road,
Em
Hoping to get to nowhere,
C **Em**
That peacefull road on the way to nowhere,
G
I quietly tread,
Em
On my way to nowhere,

[Pre-Chorus]

C **Em**
Leave behind all the shit,
D **Am**
Cause I can t take you anymore,
Em **G**
You re bending the truth,

To points I no longer can comprehend,

You re on fire,

D **Am** **Em**
You re telling all my secrets and my lies,
