Intro: C--F-G(bass lines) x2  
F--G--Am--C x2, F--G

Verse 1:

**Am**                    **F**  
He never thought someone  
                                 **C**  
would come along  
                                 **G**  
And show him a feeling  
                                 **Am**  
he s always dreamed of  
                                 **F**  
She didn t plan on  
                                 **C**  
falling in love  
                                 **G**  
Upset the balance  
she s wanted so long

Chorus:

**Dm**                    **F**  
This road to recovery  
                                 **C**                    **G**  
Has taken all I have  
**Dm**

It seems hard As  
**F**                    **C**  
I try To succumb  
                         **G**  
once again again

Post Chorus 1: F--G--Am--G-C x2, F--G

Verse 2:

**Am**                                    **F**  
Well he lost control  
   **C**  
and gave up his heart  
   **G**  
To follow the girl that  
   **Am**  
he s always dreamed of  
   **F**  
She pulled away  
   **C**  
so scared of a love  
That might have been  
**G**  
more than she  
had planned on

(Repeat Chorus)

Post Chorus 2: F--G--Am--G-C x2, F--G--Am--C x2

Bridge:

**F**                                    **G**  
Well love is a bitch  
   **C**  
all relationships end  
   **G/B**  
What happens now  
   **Am**  
When that persons gone  
   **G**  
The one who you thought  
   **C**  
You could always count on  
   **G/B**  
You fall in love  
   **Am**  
And they fall out  
   **G**

Love is a bitch  
All relationships end

Outro: Double bass pedal drums!!!

**F**            **G**            **Am**  
How do I let go of a love  
**G**            **F**  
That meant so much to me  
**G**            **C**  
How do I go on  
**G/B**        **F**  
When you re a part of me  
**G**            **Am**  
I m dying inside  
**G**            **F**  
Each time i see you  
**G**            **C**  
Don t lose sight of me  
**G/B**        **F**  
Cause you re all i see  
**G**  
Your still all i see  
**Am**        **G**        **F**        **G**  
This road to recovery  
**Am**        **G**        **F**  
has taken all i have  
**Am**        **G**        **F**        **G**  
This road to recovery  
**Am**        **G**        **F**        **G**  
has taken all i have  
**Am**        **G**        **F**  
taken all i have
