

Going To A Town
Rufus Wainwright

Rufus Wainwright - Going To A Town

The song really isn't that challenging but I've looked up two tabs so far and I don't really agree with them so I decided to take out the notes myself.

The chords I use are these: (Most are in this order)

A#m x13321

D# x68886

G# 466544

C# x4666x
