[Verse]
G Cadd9 G
Theres a fight to be won for the love you find at home
G Cadd9 G
There is work to be done before you rest your weary bones
G Cadd9 G
Im finding peace dont come to everyone I know
G C Bb C G
So I will love in this life till I finally have to go
G C Bb C G
Said I would love in this life till I finally have to go

Well I know I have lived just a wrinkle of my life
And I hear so many times, itll be over when I blink twice
So please forgive if I dont walk off that plank stuck in your eye
Ive got my life to love and Im here to take whatâ€™s mine

[Chorus]
Growing up child is just a matter of time
Forgiven all youve got so wont you dance under the sun
Growing old feels like your giving up your soul
And Id rather give it freely to the ones that I call home

[Verse]
I ain t scared, no not afraid of the world in front of me
I found my way without your help with a broken family
I ll take my breaks with my sins, I ll do as I do please
With my friends till the end, there lies my loyalty
With my friends till the end, my lies their loyalty

I used to close my eyes to what stirred under my bed
Now they re open wide to the monsters in my head
Instead of claws they whisper lies, sinking fear in quiet steps

So I will fight in the light till i give my final breath

[Chorus] x2

Growing up child is just a matter of time

Forgiven all youve got so wont you dance under the sun

Growing old feels like your giving up your soul

And Id rather give it freely to the ones that I call home
