

This Beautiful Pain
Runrig

Capo 3rd fret

Intro: **G D C G**

G D C
Day was young and desire was stirred
G D C
Summer was all but gone
G D C
Light was fading from the side of your face
G D C
Sinking low in the corn

Em
All thatâ€™s constant and wise
C
I still see in your eyes
G D C
it was always this way from the start
Em
Right here where I stand
C
on the last of the land
D C G
But you re still breaking the heart

G D C
Now all I have is rushing right through my hands
G D C
Sailing over the seas
G D C
Down that tide where fresh and salt combine
G D C
all victories are released
Em
We who wrestle the years
C
have traded our fears
G D C
for a glimpse of ecstasy in the dark
Em
Turning ice in the fire
C
but weâ€™re still denied
D C G
But youâ€™re still breaking the heart

Em **C**
The skies turn red without failure
G **D** **Em**
they held their promise and dread till the last
D **Em**
You put all of my youth in my future
G **D**
You put my future back into my past

G **D** **C**
So shine a light and shine it brightly now
G **D** **C**
You know it all takes its course
G **D** **C**
and all the many ways Iâ€™ve tried so hard
G **D** **C**
to reach this potent source
Em
On the day behind time
C
across the divide
G **D** **Em**
along the cord came all light out of dark
C **Em**
now I stand amaze in this beautiful pain
D **C** **G**
but youâ€™re still breaking the heart
