Here s what I got and it sounds closet to the actual song. Some parts may be incorrect,
it sounds pretty darn close. Hope you enjoy!

Capo 3

G **C**
Face to the ground

D
I m not proud

G **C**
Of all You must see

D
When You look at me

Em **C**
I tremble at first

D
As You wash the dirt

Em
The dirt from my feet

C **D** **C**
And I see my need for Thee

G **C**
You lift me up

G **D**
Holy One, Holy One

G **C**
When I but come

G **D**
You re enough, You re enough

Em **C**
You fill me up

G **D**
With Your love, with Your love

Em **C**
To You I run

G **D**
Holy One, Holy One

G **C** **D**
All other noise fades away

G **C**
Like all of the fear
D
When your voice I hear
Em **C**
You re beckoning me
D
To come and just be
C
A child at Your feet
D **C** **D**
Seeing my need for Thee

(Chorus)

Em **C**
You re enough to satisfy
G **D**
When the world has left me only dry
Em **C**
Enough to save my life
G **D** **C**
When the world has left me here to die

(Chorus x2)
