

G **C**
Like all of the fear
D
When your voice I hear
Em **C**
You re beckoning me
D
To come and just be
C
A child at Your feet
D **C** **D**
Seeing my need for Thee

(Chorus)

Em **C**
You re enough to satisfy
G **D**
When the world has left me only dry
Em **C**
Enough to save my life
G **D** **C**
When the world has left me here to die

(Chorus x2)
