

**We All
Rush of Fools**

First off, this is EXACTLY how it s played, I promise!!! Feel free to simplify, some chord shapes are kinda funky.

Intro:

G D Asus G

Verse 1:

G D A
Oh, You are love like we have never known
Em7 G
Before the world was born
D A
You had named us and called us You re own
Em7 G
We are Yours and we re broken at Your feet

Chorus:

A Bm7 D
We all, we all, we all fall to the ground
G2
Cause You re right here with us
A Bm7 D
We all, we all, we all fall to the groud
G2
At the name of Jesus
A Bm7 G
We all, we all, we all lift up You now

(Repeat verse and chorus, they re the same chords)

Bridge (2x):

Bm A/C# D
Your ways are high, they re not our own
F#sus G
And You are seated at Your throne
D A
And it s Your love that gives us hope
A
That You will never let us go

(Repeat Chorus)

Verse 3: (slightly different than previous verses)

G **D** **Asus**

Oh, You are love like we ave never known

G

Before the world was born

D

Asus

You had named us and called us You re own

G2

We are Yours
