

Countdown

Rush

Intro: (E) (E A Em A) 2x

E A
Lit up with anticipation, we arrive at the launching site
Em A
The sky is still dark, nearing dawn, on the Florida coastline

E A
Circling choppers slash the night, with roving searchlight beams
Em A
This magic day when super-science, mingles with the bright stuff of dreams
(E A Em A)

E A
Floodlit in the hazy distance, the star of this unearthly show
Em A
Venting vapours, like the breath of a, sleeping white dragon

E A
Crackling speakers, voices tense, resume the final count
Em A
All systems check, T minus nine, as the sun and the drama start to mount
(D G F G) (D G F C)

E A
The air is charged, a humid, motionless mass
G A
The crowds and the cameras, the cars full of spectators pass

E A
Excitement so thick - you could cut it with a knife
F C
Technology - high, on the leading edge of life

(D G F G)
(D G F G A)
(F C F G A) (3x)
(E)

E A
The earth beneath us starts to tremble, with the spreading of a low black cloud
Em A
A thunderous roar shakes the air, like the whole world exploding

E A

Scorching blast of golden fire, as it slowly leaves the ground

G

A

Tears away with a mighty force, the air is shattered by the awesome sound

(**D G F G**) (**D G F C**)

E

A

Excitement so thick - you could cut it with a knife

G

A

Technology - high, on the leading edge of life

E

A

Like a pillar of cloud, the smoke lingers high in the air

F

C

In fascination - with the eyes of the world we stare...

Solo Final: (**D G F G**) (4x)

(**F G A**)

(**F C F G A**)?
