[intro] **A B**

   A/G   **D**
We are secrets to each other,
E/G#   **A/G**   **D**
each one s life a novel no one else has read.
     A/G   **D**
Even joined in bonds of love,
      E/G#   **A/G**   **D**
we re linked to one another by such slender threads.

     A/G   **D**
We are planets to each other,
E/G#   **A/G**   **D**
drifting in our orbits to a brief eclipse,
     A/G   **D**
each of us a world apart,
 E/G#   **A/G**   **D**
Alone and yet together like two passing ships.

  D7   **C**
  Just between us,
         G   **C(add9)** **G**   **D7**
  I think it s time for us to recognize
     C   (add9)   **G**
  the dif rences we some times feared to show.
  D7   **C**
  Just between us,
         G   **C(add9)** **G**
  I think it s time for us to realize
    D7   **C**
  the spaces in betwen
 G/C **A/D**   **G/C**   **A/D** **D/G**
  leave room for you and I to grow.

       A/G                 D
We are strangers to each other,
E/G#                 A/G         D
full of gliding panels an ilusion show.
         A/G                 D
Acting well re-hearsed routines,
   E/G#                 A/G                 D
or playing from the heart? It s hard for one to know.

[refrão]

         A/G                 D
We are islands to each other,
E/G#                 A/G                 D
building hopeful bridges on the troubled sea.
         A/G                 D
Some are burned or swept away,
E/G#                 A/G                 D
some we would not choose, but we re not always free.
