*verse 1*

**Am G Em D**  
What did I see, fool that I was?  
**Am G C**  
Oh, a goddess with wings on her heels.  
**Am G Em D**  
All my illusions projected on her;  
**Am G C**  
The ideal that I wanted to see.

**D C D C**  
What did I know, fool that I was?  
**Bb G F G F G F G G**

**D C**  
My friends were dismayed

To see me betrayed,  
**Bb G F G F G F G G**  
But they knew they could never tell me.

*verse 2*

**Am G Em D**  
What did I care, fool that I was?  
**Am G C**  
Oh, little by little I burned,  
**Am G Em D**  
Maybe sometimes, there might be a flaw,  
**Am G C**  
But how pretty the picture was back then.

**D C D C**
