If I could wave my magic wand...

(C/G Bb9 F) 2x

(C/G Bb9 F) 4x

I am made from the dust of the stars
And the oceans flow in my veins
Here I hide in the heart of the city

D C9 Bm A/B Bm A/B
Like a stranger coming out of the rain

(C/G Bb9 F) 4x

The evening plane rises up from the runway
Over constellations of light
I look down into a million houses
And wonder what you re doing tonight

E5 D A G4
If I could wave my magic wand
D C9
I d make everything all right

D4/C D/C D9/C D

D4/C D/C D9/C D
I m not one with a sense of proportion
G A G
When my heart still changes overnight

(C/G Bb9 F)

(C/G Bb9 F) 4x

I had a dream of a winter garden
A midnight rendezvous
Silver, blue, and frozen silence

D C9 Bm A/B Bm A/B
What a fool I was for you

(C/G Bb9 F) 4x

I had a dream of the open water

I was swimming away out to sea
So deep I could never touch bottom
What a fool I used to be
