F

Sprawling on the fringes of the city

Bbm G#

In geometric order

Bbm G#

An insulated border

Bbm G#

In between the bright lights

F# G# Bbm F# G# F

And the far unlit unknown

F

Growing up it all seems so one-sided

Bbm G#

Opinions all provided

Bbm G#

The future pre-decided

Bbm G#

Detached and subdivided

F# G# Bbm

In the mass production zone

F# G# Bbm F# G# Bbm

Nowhere is the dreamer or the misfit so alone

(Subdivisions)

F# G# Bbm

In the high school halls

F# G# Bbm

In the shopping malls

F# G# Bbm

Conform or be cast out

(Subdivisions)

F# G# Bbm

In the basement bars

F# G# Bbm

In the backs of cars

F# G# Bbm

Be cool or be cast out

F# G# Bbm

Any escape might help to smooth

G# Bbm

The unattractive truth

G# F# G# Bbm

But the suburbs have no charms to soothe

G# Bbm

The restless dreams of youth

(F# G# Bbm G# Bbm G#)

F

Drawn like moths we drift into the city

Bbm G#

The timeless old attraction

Bbm G#

Cruising for the action

Bbm G#

Lit up like a firefly

F# G# Bbm F# G# F

Just to feel the living night

F

Some will sell their dreams for small desires

Bbm G#

Or lose the race to rats

Bbm G#

Get caught in ticking traps

Bbm G#

And start to dream of somewhere

F# G# Bbm

To relax their restless flight

F# G# Bbm F# G# Bbm

Somewhere out of a memory of lighted streets on quiet nights...
