You wake up lost in an empty town
Wondering why no one else is around
Look up to see a giant boy
You ve just become his brand new toy
No escape, no place to hide
Here where Time and Space collide

You have entered the Twilight Zone
Beyond this world strange things are known
Use the key, unlock the door
See what your fate might have in store...
Come explore your dreams creation
Enter this world of imagination...

O solo fiquei com preguiça.....mas é pequeno e acho que dá pra deduzir em cima da escala.....Bom proveito!
