

Workin Them Angels

Rush

RUSH
Snakes and Arrows
Workin Them Angels

Well, it s kinda hard to put the chords on top of the lyrics for this song,
since
they have different timings.

Work this progression during the intro and first verses:

G G G A
G G G D
G G G A
G G G D
G G G A
G G G D
G G G A

Driving away to the east, and into the past
History recedes in my rear-view mirror
Carried away on a wave of music down a desert road

(build-up)

G G G E C A
E C A

Memory humming at the heart of a factory town

Chorus:

E C A
E C (then **A B G E** quickly)

All my life
I ve been workin them angels overtime
Riding and driving and living
So close to the edge
Workin them angels - Overtime

Chords during solo:

E C A

For the other verses and choruses, the chords remain the same as to the intro verses and chorus.
