INTRO: Am D G Cadd9

Am D G

This never ending song is scratching, scratching my brain Cadd9

like a vinyl in desire.

Am D

This never ending thought is coming and is gone

G Cadd9

it s traveling on a plane on my way.

Am

And in a highway too, as if I speak for you and I say

G Cadd9 Am

that you did those things I did in the past, it s true in a truck I do

keep your staff in my pocket,

G Cadd9

just like I did with the days we flew.

Am 1

This never ending song is coming and is gone

G Cadd9

it s traveling on a plane on my way.

Am D G Cadd9

Gone, play on, gone, play on, gone gone play on, gone play on

Am D G Cadd9

Gone, play on, gone, play on, gone gone play on, gone play on

Am

Gone, play on, gone, play on, gone gone play on, gone play on
