

Loving Strangers
Russian Red

There are plenty of badly-written tabs of this song. It s actually VERY easy.
Here is
the pattern you should play with a Capo on the first fret. Otherwise, you can
strum
C/Em/F/G throughout the whole song.

C	Em	F	G4
-----	-----	-----	---33--
-----	-----	-----	-----1-
---0-0	---0-0	---2-2	-----
--2-2-	--2-2-	--3-3-	-----
3-----	2-----	3-----	--2----
-----	-----	-----	3-----

[Chorus]
Loving strangers, loving strangers
Loving strangers, oh
Loving strangers, loving strangers
Loving strangers, oh

[Verse]
Iâ€™ve got a hole in my pocket
Where all the money has gone
Iâ€™ve got a whole lot of work
To do with your heart
â€™Cause itâ€™s so busy, mineâ€™s not

[Chorus]
Loving strangers, loving strangers
Loving strangers, oh
Loving strangers, loving strangers
Loving strangers, oh

[Verse]
Itâ€™s just the start of the winter
And Iâ€™m all alone
But Iâ€™ve got my eye right on you

Give me a coin
And Iâ€™ll take you to the moon
Now give me a bill
And Iâ€™ll kiss you so foolishly

Like you do when you lie
When you're not in my thoughts
Like you do when you lie
And I know it's not my imagination

[Chorus]

Loving strangers, loving strangers
Loving strangers, oh
Loving strangers, loving strangers
Loving strangers, oh

Loving strangers, loving strangers
Loving strangers, oh
Loving strangers, loving strangers
Loving strangers, oh
