

Write Me A Letter
Rusty Cage

[Verse 1]

G **Am**
I know I havenâ€™t been around in a bit,
C **G**
But Mama, donâ€™t think that I could ever forget,
G **Am**
You probably been wondering as to where that Iâ€™ve been,
C **G**
Got picked up last week, and Iâ€™m stuck in the pin,
G **Am**
And I know that I havenâ€™t been the best son,
C **G**
You canâ€™t forgive for all the things that I done,
G **Am**
But my attorney tells me that I got a good case,
C **G**
So write me a letter, Ma, send me your grace,

[Chorus]

G **Am**
Write me a letter, give me a call,
C **G**
Cause Iâ€™ve been inside for way too long,
G **Am**
With all of my sorrows and all my regrets,
C **G**
Write me a letter and help me forget,

[Verse 2]

G **Am**
Well hey there John, Man itâ€™s been a long time,
C **G**
And I hope that you and boys are doing just fine,
G **Am**
You probably been wondering why I donâ€™t hang around,
C **G**
Iâ€™ve been stuck in county since that shit when down,
G **Am**
And it might be a lot to inquire about,
C **G**
That you and the boys could pull some dough and help me get out,
G **Am**
Cause us and the gang, man, ainâ€™t we been through it all?
C **G**
Just let me know, buddy, just give me a call,

[Chorus]

G **Am**
Write me a letter, give me a call,
C **G**
Cause Iâ€™ve been inside for way too long,
G **Am**
With all of my sorrows and all my regrets,
C **G**
Write me a letter and help me forget,

[Bridge]

Am **D**
Knowing youâ€™re with me, it keeps me holding on,
G **Em**
Knowing you miss me whenever Iâ€™m gone,
Am **A7**
With you all in my heart, is my only escape,
D **D7**
And oh, how I wish for a loving embrace,

[Verse 3]

G **Am**
Well Mama, I havenâ€™t heard from you in a while,
C **G**
Itâ€™s been about a year but Iâ€™m still trying to smile,
G **Am**
I couldnâ€™t pull bail and I lost in the case,
C **G**
And ainâ€™t no one willing to help out in this place,
G **Am**
I hope you get this, I hope you respond,
C **G**
Cause I ainâ€™t talked to no one ever since Iâ€™ve been gone,
G **Am**
And I donâ€™t know if Iâ€™ll ever see you all again,
C **G**
I just want a family, I just want a friend,

[Chorus]

G **Am**
Write me a letter, give me a call,
C **G**
Cause Iâ€™ve been inside for way too long,
G **Am**
With all of my sorrows and all my regrets,
C **G**
Write me a letter and help me forget.
