(power chords)

Intro: **E5**-**B5**-**C#5**-**A5** (2x)

Verse1:
```
                E5
```
You’re my friend I’m quite sure of that
```
                         A5
```
What I don’t know is if you’re true or not
```
            F#5
```
Are you faking? How so insane….
```
       A5                                                 B5
```
 You looked-like you’re doing it for games

Verse2:
```
                E5
```
You blew my mind thinking that I’m maybe right
```
                 A5
```
Coz the reality made me realized
```
                 F#5
```
You’re deceiving me with your masterpiece
```
        A5                B5
```
An obra of your abilities

REFRAIN:
```
          C#5        B5         A5
```
Well, I’m not going down…
```
C#5           B5                 A5-B5           E5
```
I’ll make sure of that now… somehow…

CHORUS:
```
E5                        B5                        C#5
```
Aren’t you afraid of getting caught?
```
         A5                B5              E5
```
Why are you deceiving?
```
                        B5                  C#5
```
Aren’t you afraid of telling lies?
```
            A5             B5
```
Would it completing?

```
Verse3:
        E5
You front me with your decency
                    A5
And youâ€™re making me feel that you are with me
             F#5
But your mask is leaking, canâ€™t you see?
          A5                        B5
Youâ€™re blowing it up every time you speak

Verse4:
        E5
You kissed me goodbye with your poisoned-lips
             A5
And itâ€™s killing me every night, I canâ€™t sleep
            F#5
You are truly a master of disguise
        A5                    B5
A chameleon hiding behind the lies

(REFRAIN)
(CHORUS)

BRIDGE:
C#5
Youâ€¦.
        B5              A5-B5
Would it be completing you?
        B5              A5-B5
Would it be completing youâ€¦woahâ€¦hoo?
(Palm mute):
E5                  B5                    C#5
Arenâ€™t you afraid of getting caught?
        A5            B5           E5
Why are you deceiving?
                    B5              C#5
Arenâ€™t you afraid of telling lies?
          A5                  B5
A thousand of your fucking liesâ€¦

(CHORUS)
CODA1:
Would it be completing you?
Would it be completingâ€¦
CODA2:
              E5
Youâ€™re my friend Iâ€™m quite sure of that
                        A5
What I donâ€™t know is if youâ€™re true or not
            F#5
Are you faking? How so insaneâ€¦.
          A5                                      B5          E5
Coz  you looked-like youâ€™re doing cocaineâ€¦(END)
```
