

**Young
Ruth B**

[Intro]

G

[Verse 1]

G C G

Tonight hope fills our lungs

D

And I can see it in everyone

G C G D G

Tonight the city is alive and I can breathe for the first time

C D G

The lights, they used to tell us, no, now they glow

C G

The songs, they used to make us sad

C G

Tonight they don't sound so bad

They don't sound so bad

[Chorus]

G C D

I can hear the sirens

G C D

And I can see the fire

G

And it feels so good

D

So good to be young

G

And it feels so good

D

So good to be young

G C G D

Ooo-oooh, Ooo-ooo-oooh x2

[Verse 2]

G C G

Tonight, I can hear the laughs

D G

They're louder than all of the backlash

D

Tonight I can see the smiles

G

And I think that I'll stay awhile

C G

The signs, they used to tell us stop

D G

[Chorus]

[Bridge]

[Chorus]

000-000h, 000-000-000h x2
