Ruth Moody - Cold Outside

Capo at 3rd  
Intro: **G**

**G**  
Baby, it s cold outside

Come in and stay awhile  
**Cadd9**

You know you want to  
**G**

You know you want to

Baby, it s cold outside  
The streets are dark and the winds are wild  
And I want you  
I want you

**D Cadd9 G**  
Mmm, come inside  
**D Cadd9 G**  
Mmm, come inside

Baby, what do you say?  
I can t think of a better way  
To spend the night  
Let s do it right

Your smile is bright as the moon tonight  
I can see you in my mind s eye  
And I want you  
I want you

Mmm, come inside  
Mmm, stay awhile

Baby, won t you come with me  
It s bad out there like a stormy sea  
I wanna keep you safe  
I wanna keep you safe

I know you re scared and so am I  
But you tell me yours and I ll tell you mine  
Cause I think it s time  
Yeah, I think it s time

**D Cadd9** **G**  
I think I know how to love you  
**D Cadd9** **G**  
I think I know how to love you  
**D Cadd9** **G**  
I think you know that I want to  
**D Cadd9** **G**  
I think you know that I want to

**D Cadd9** **G**  
So come inside  
**D Cadd9** **G**  
And stay awhile  
**D Cadd9** **G**  
Come inside  
**D Cadd9** **G**  
Stay awhile

Used Chords:

EADGBE
