

Never Say Goodbye

Ruth Moody

It is my first Tab and I hope it is close to be correct. erik.prochnow@online.de

Never Said Goodbye - Ruth Moody

4/4

Hm7

I never said goodbye

F#m7 **G-G/7F#-G/E)** **Em**

Maybe I never even said hello

D - D4 D

Why did you have to go

Hm7

Were you feeling sad

F#m7 **G-G/7F#-G/E)** **Em**

I wish Iâ'd called to say itâ's not so bad

D

Though I know thatâ's all very well to say

Hm

I would have anyway

G

to try and make you stay

Em **D -D4 D**

at least another day

I never said farewell

I didnâ't know that it was

on your mind

I shouldâ've seen the signs

I never realized

Youâ'd come all the way down

to the wires

There are so many things I could have said

Before the summer set

But Chances came and went

D -D4 D

I wonâ't forget

Hm - Dsus2

And now itâ's clear as day

D - Em

I donâ't know what it was

Hm - Dsus2

Standing in the way

D - **Em**
I don't know what it was

Hm
You could have asked me

Em
You could have asked me

Hm
I never said goodbye

Hmj7 **Hm7** **Hm**
I thought I saw you on the avenue

G **Em**
Now I realize it wasn't you

D
I just got the news
